Architect / Director Nili Portugali

Wednesday, 30th October 2024 at 6.00 pm
Conference Centre Cortona

At the 61st IMCL Conference

“The Ecology of Place: Learning from Nature
Culture and History” (28-30 Oct)

At a time of existential threat to the physical and
human environment Architect Portugali takes us into
a deeply intimate journey in the Kabbala holy city -
Tzefat, Israel

A journey that unfolds to a discovery of universal
insights from her Holistic / Buddhist / Scientific P.O.V:
What is the secret of all Timeless places in which
man feels 'at Home' & what is that 'Pure Art of
making' that creates them? At any culture; place;
time. That, via reconstructing childhood memories
engraved on each stone of the invisible city's history.

[A film crossing new boundaries – straddling the line
between art and cinema](#)
